

Dear guest,

Welcome to Jungle Book Safari and Tours. We hope you will like our jungle safari tours and have fantastic time in and around Chitwan. This is the list of various Cultural and Nature excursions. Take your time to select the excursions of your preference and we are here to make your schedule according to your wish.

You are in the Chitwan National Park area which is one of the fourteen National Parks and Wildlife Reserves of Nepal. The park consists of mainly jungle and houses for a wide variety of wildlife. The park is the home to the Bengal tiger, the one-horned rhino, wild elephants, monkeys, deer, antelopes, sloth bear, leopards and many other mammals. In the Rapti River live two species of crocodiles. The park has an enormous variety of birds and butterflies.

Your visit to the park will be an unforgettable experience with a great chance to see many of these animals up close.

Besides the magnificent flora and fauna, the Chitwan region has a lot to offer culturally. The original inhabitants of Chitwan are known for beautiful decoration of their houses, the distinctive tattoos on their legs and arms, and their colorful traditional clothing

Let me tell you a little about The Jungle Book Safari and Tours.

We are Local tour office, which aims to help local community with the profit of your tours. We aim to help young children aged 3 to 4 years who cannot go to kindergarten due to economic conditions.
